ball jumping joyfully into the shot

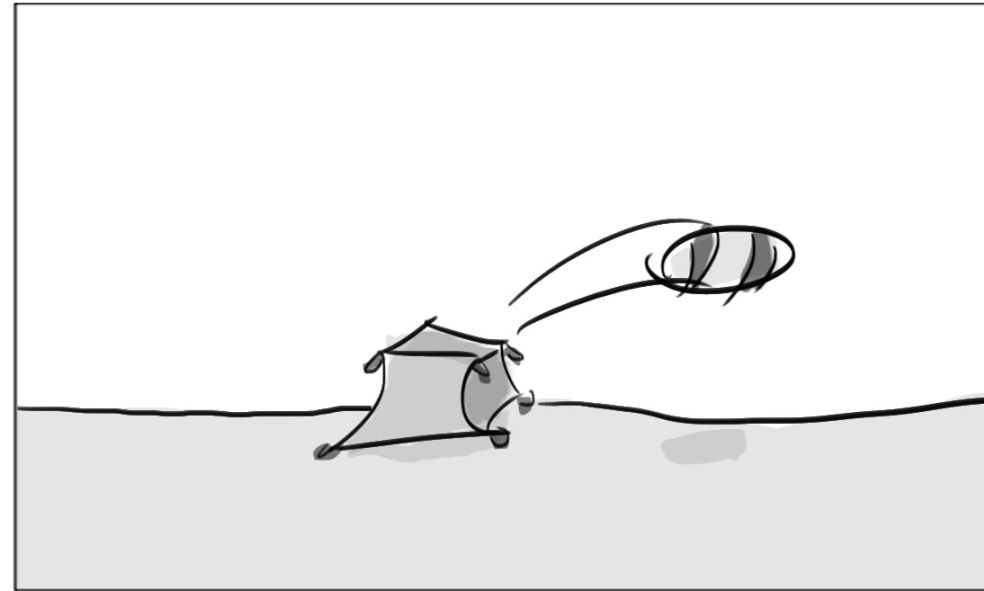

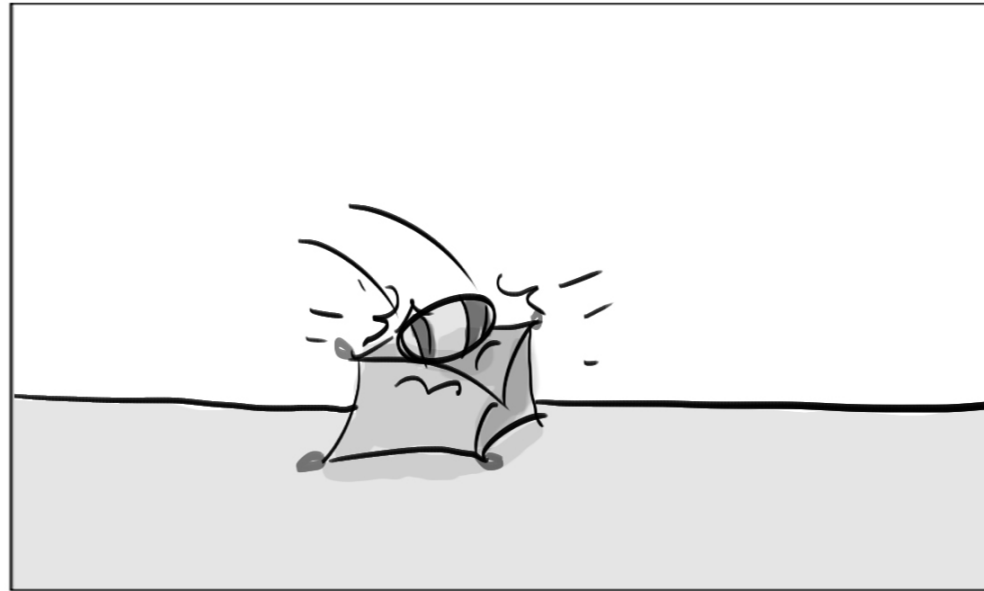

ball rolls in slowly into the frame

they look at each other

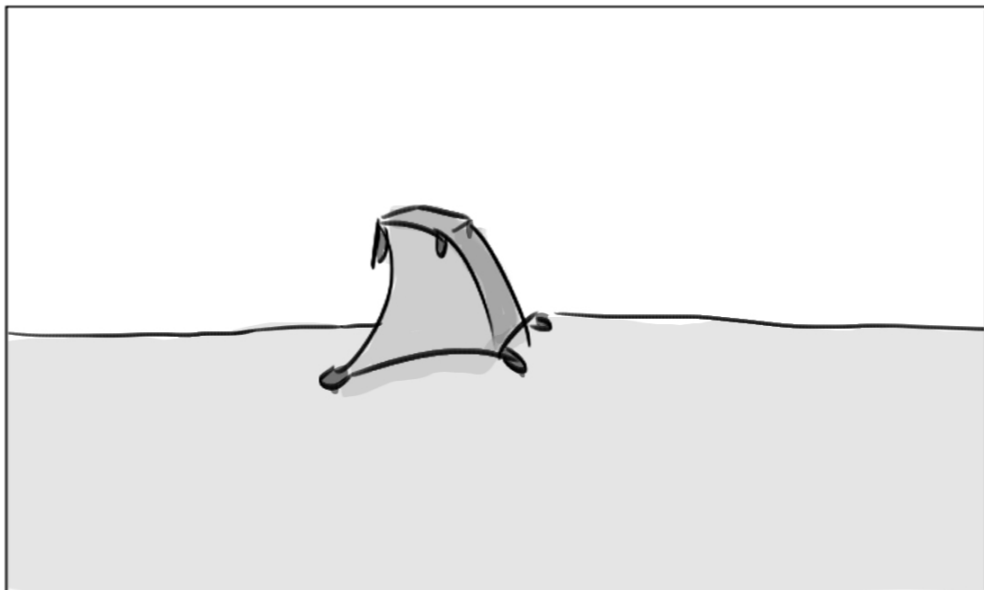

cube tries touching the ball

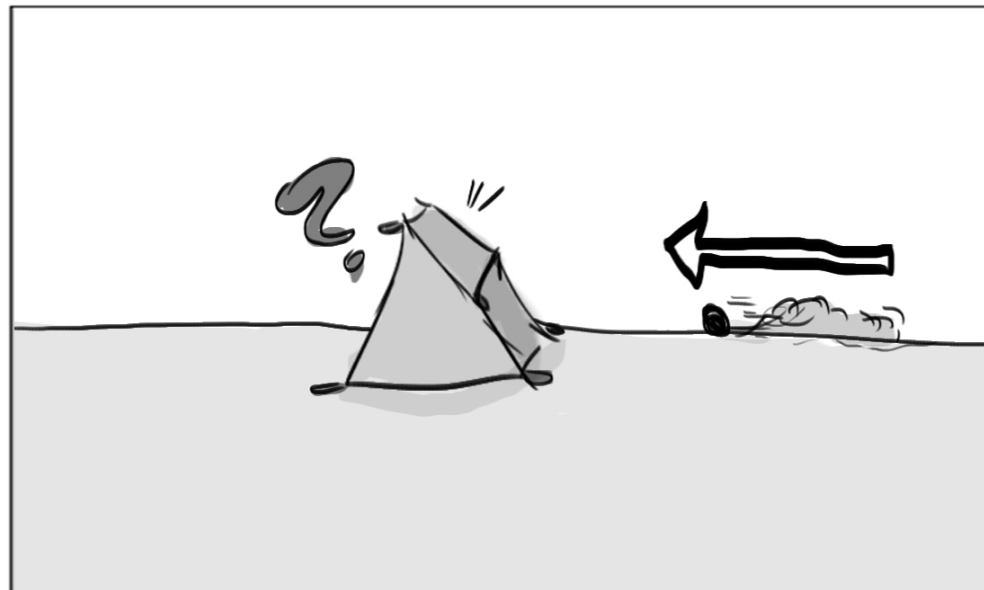

ball jumps abruptly

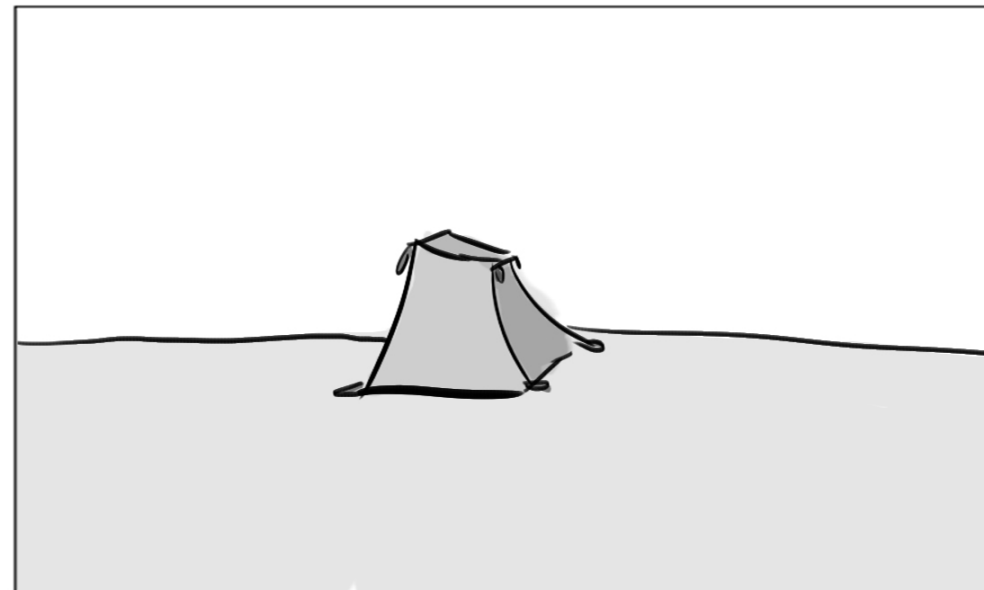

ball giggle to himself as he jumps off of cube

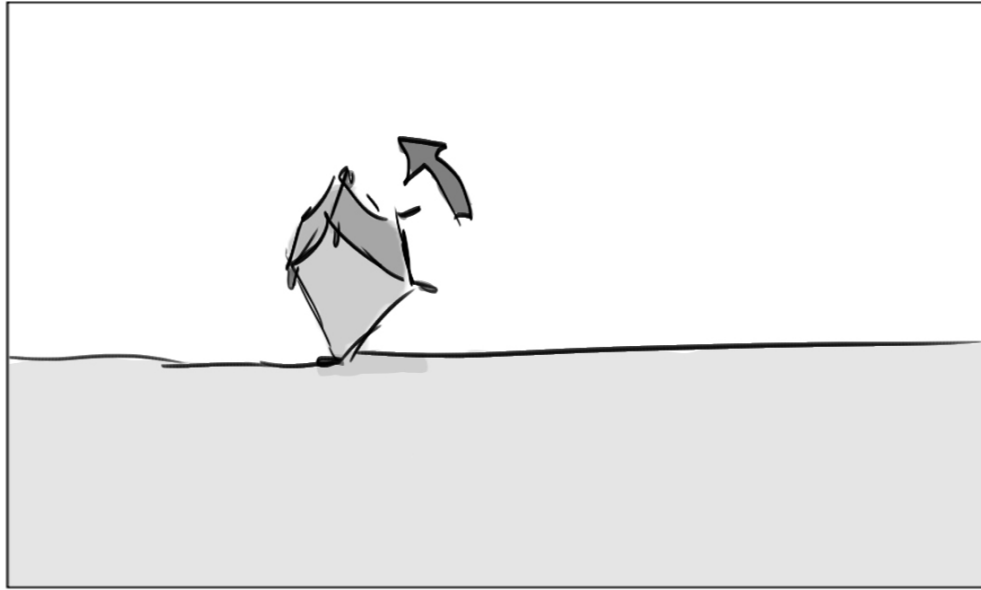

cube recovers from the shock

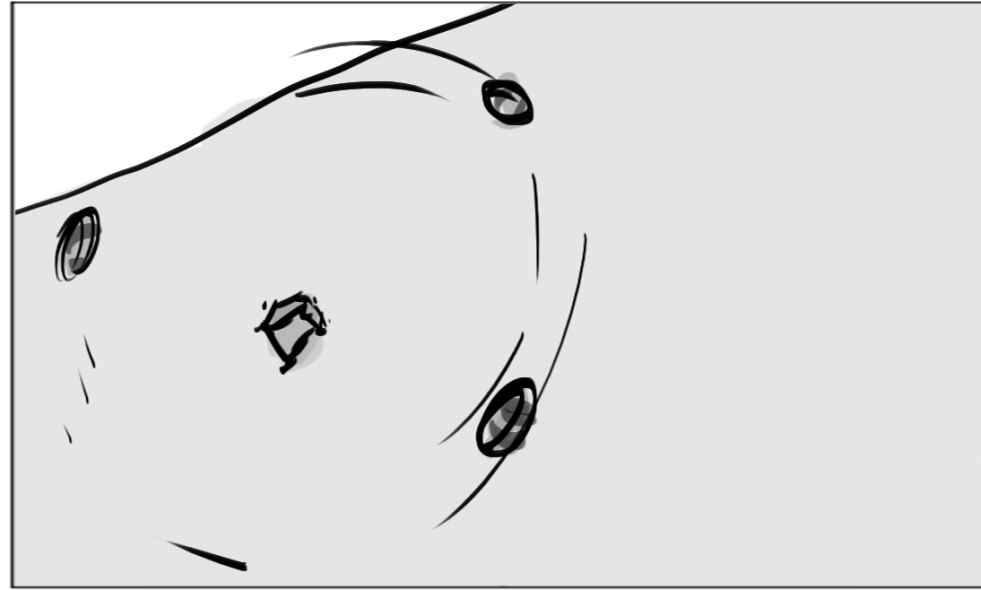

ball zoomes from right to left in the horizon making joyful sounds

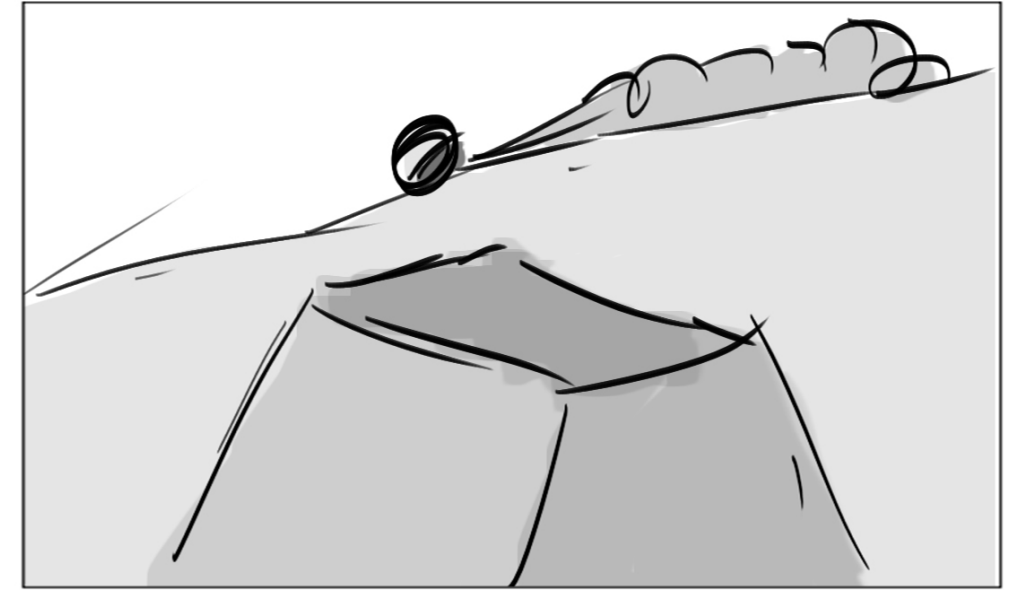

cube keeps walking

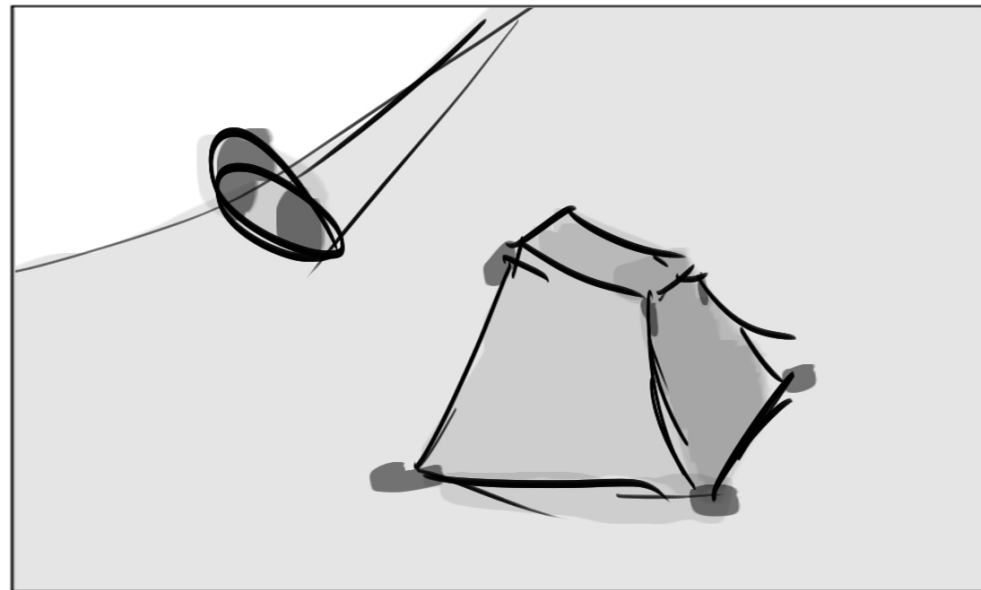

cross dissolve to shots of the cube walking slowly as the ball speeds around her. long shot.

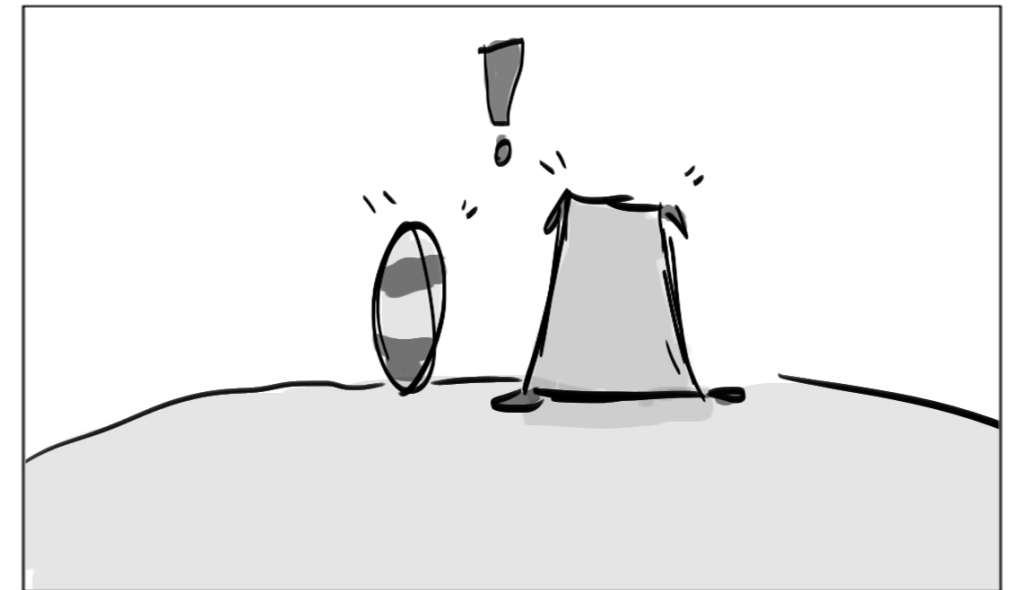

ball zooms in the background making mocking sounds

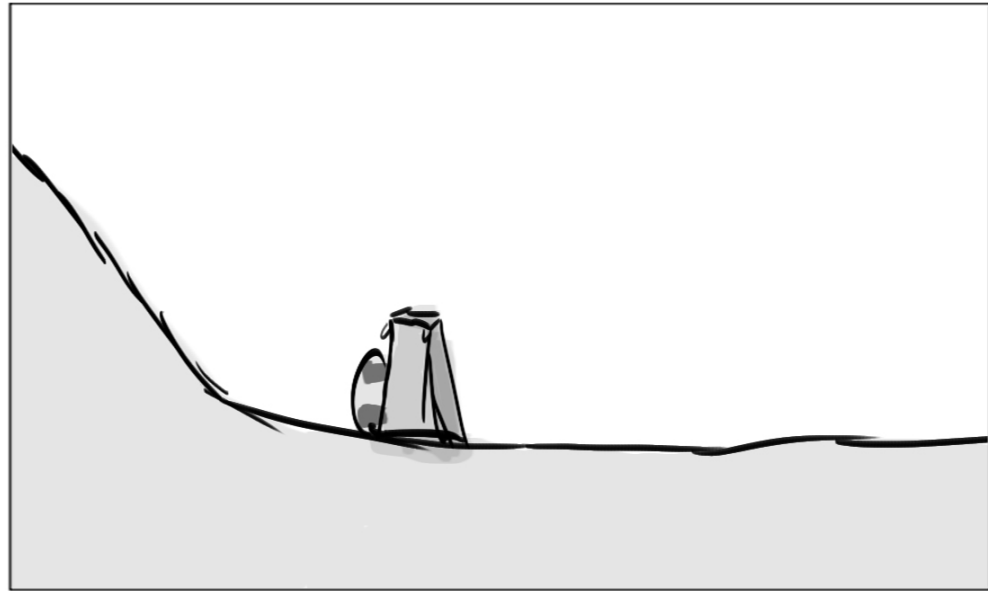

ball jumps back and forth in front of cube, teasing

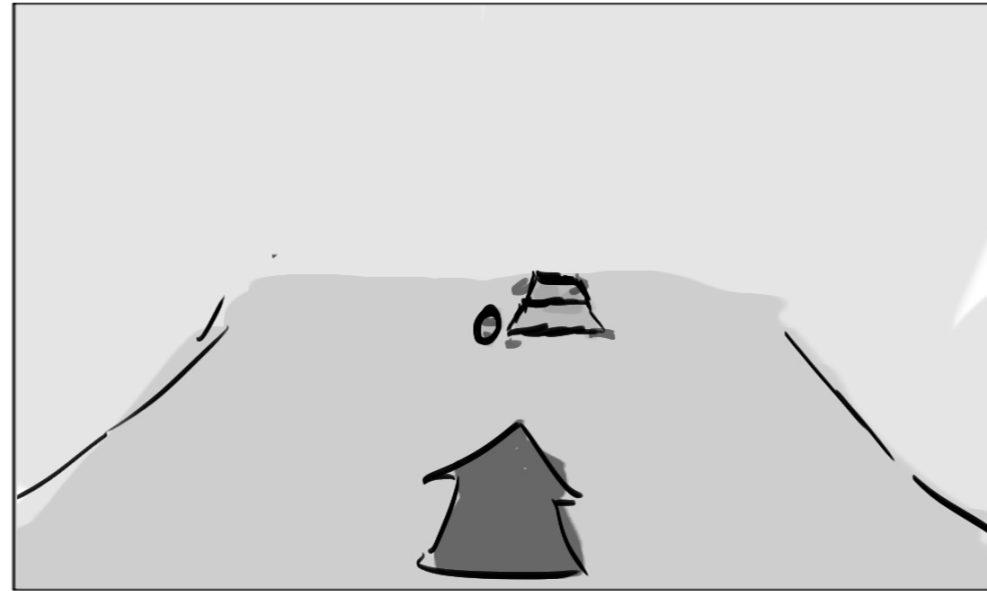

cube stops, ball speeds to get close

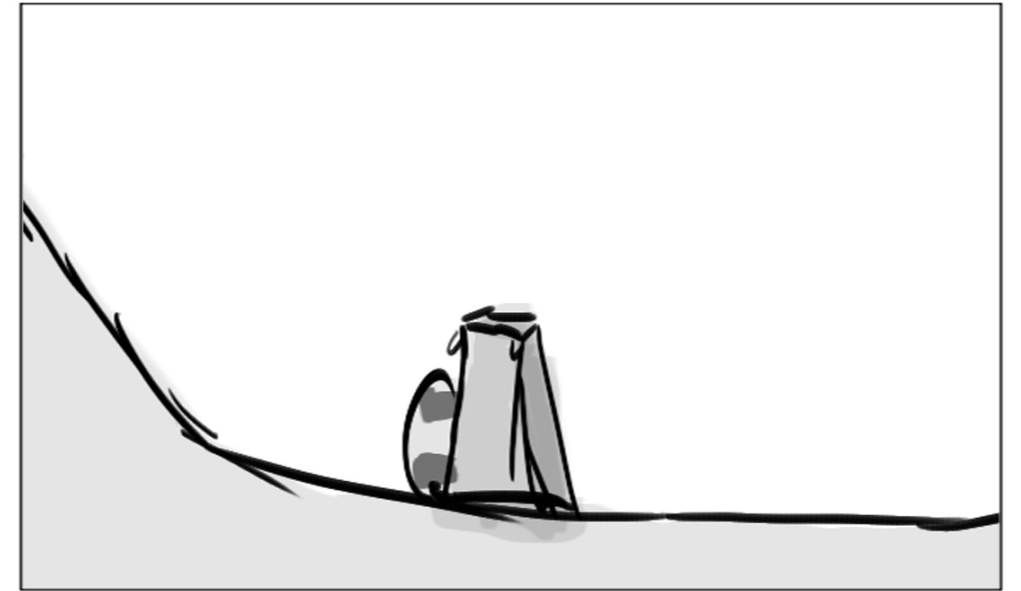

ball is startled when noticing what's in front of them,

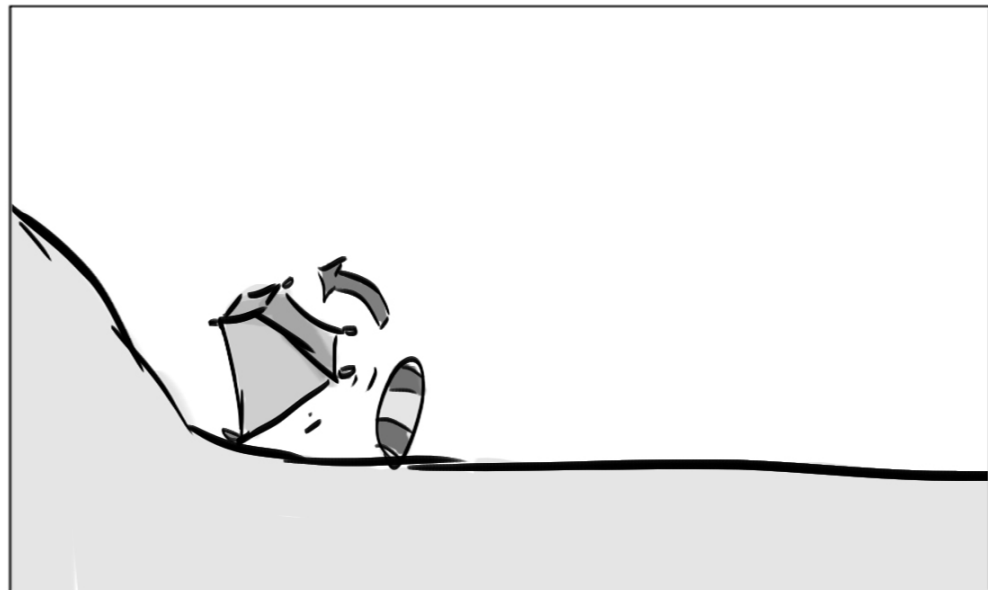

both staring up at the slope

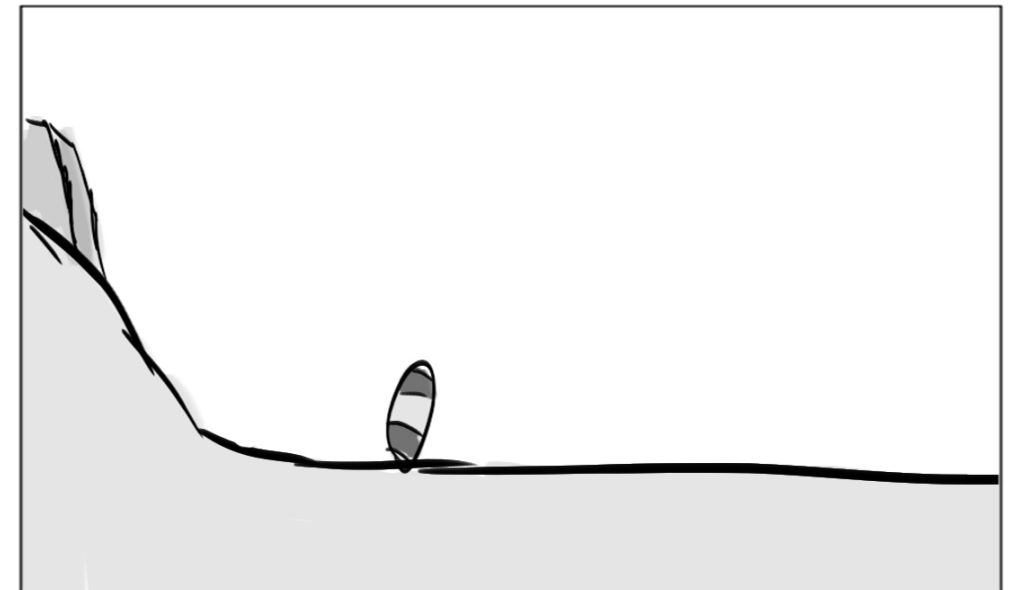

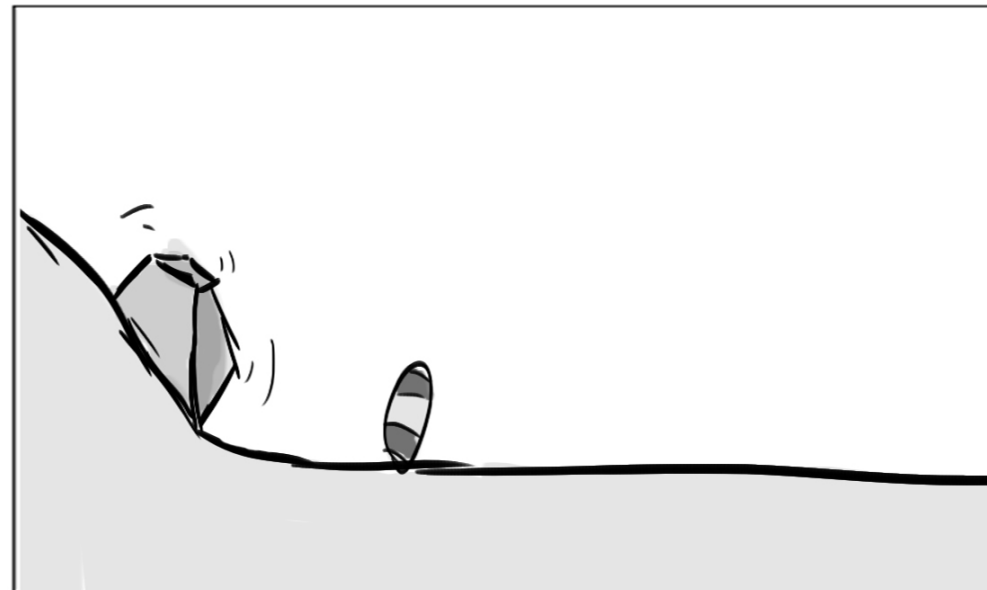

pan from the top of the slope so towards the two emphasizing the high angle of the hill.

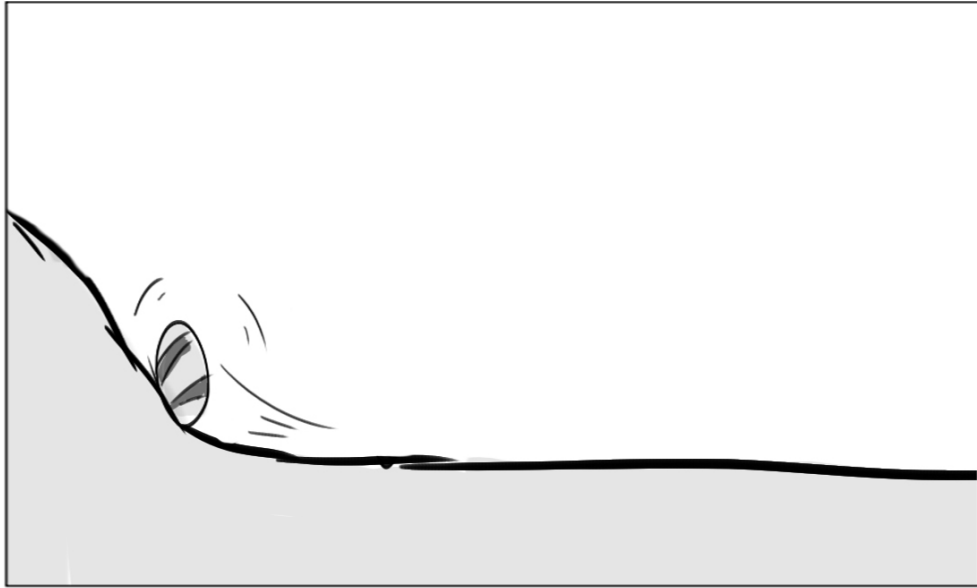

looking at each other

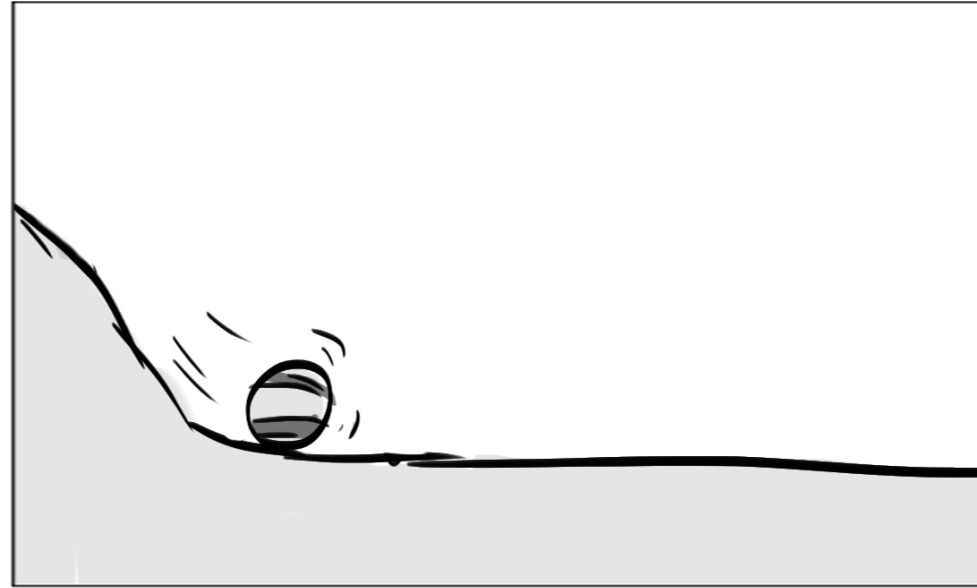

cube keep going forward

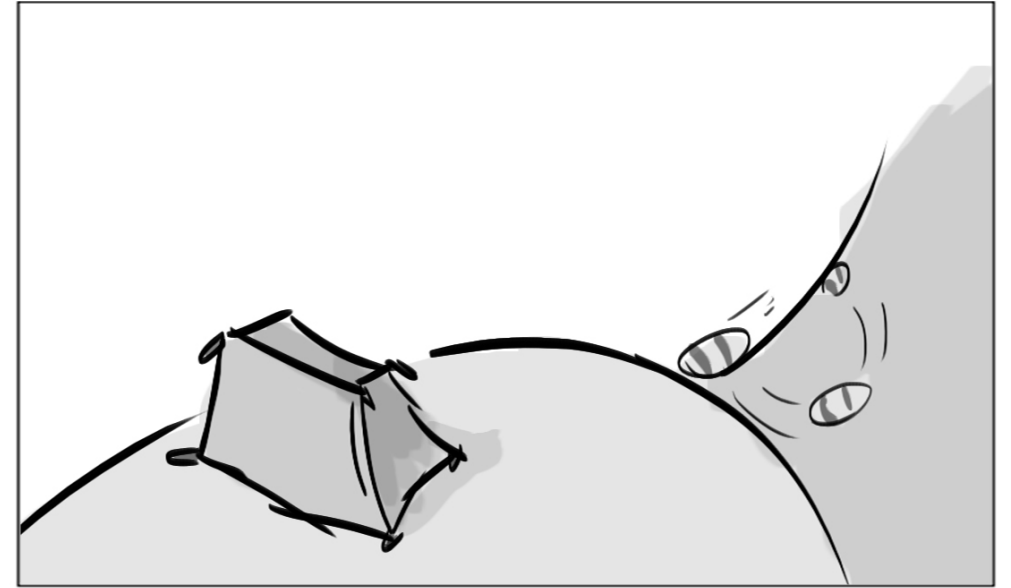

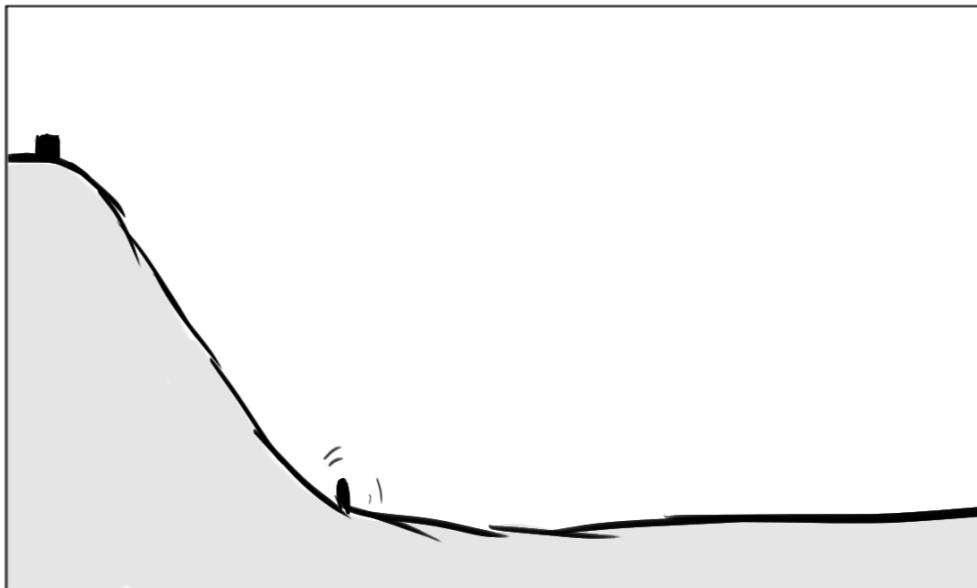

ball tries to roll up after cube...

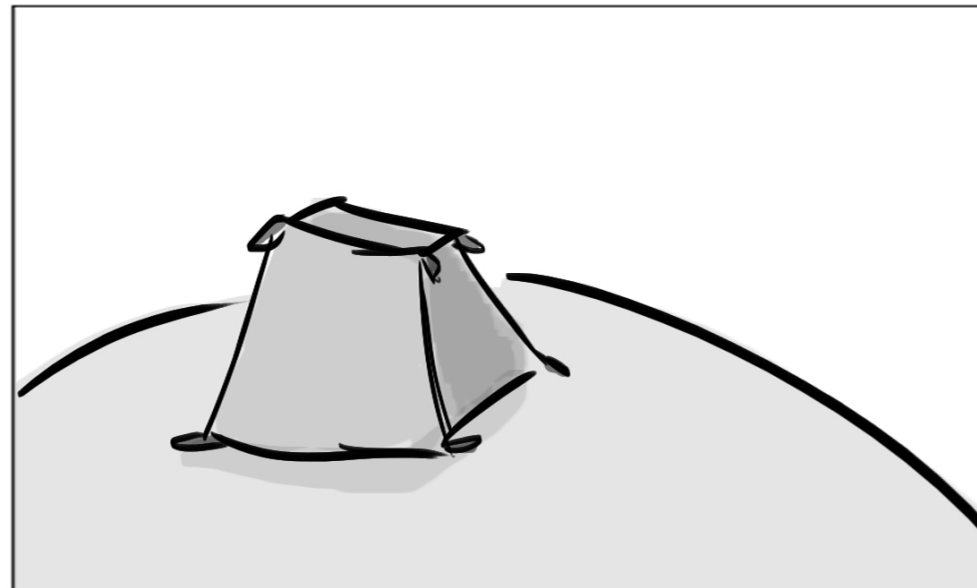

unsuccessfully, after all, he is a ball.

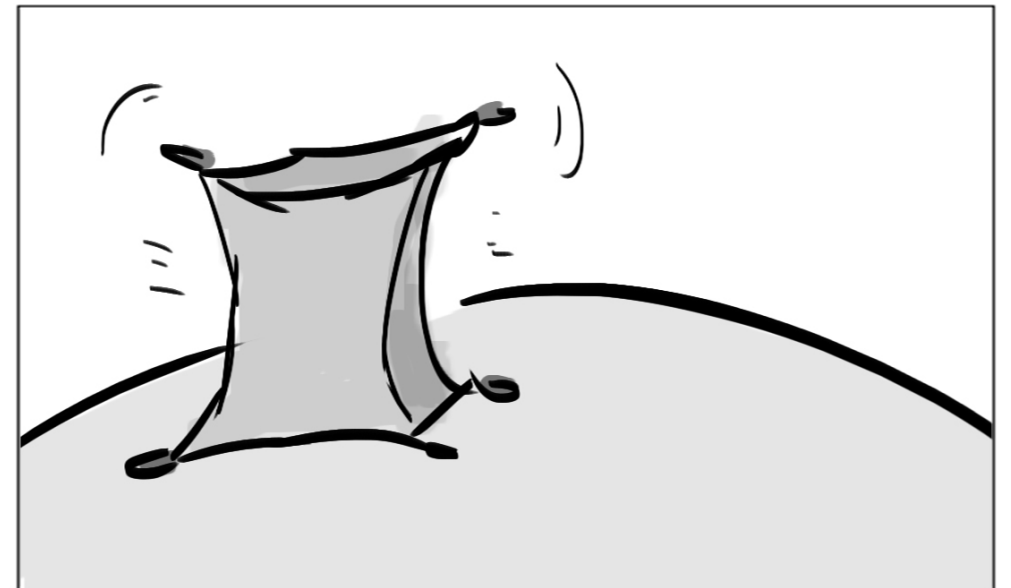

ball keeps trying to roll up but he slides back down. making weeping sounds. cube still climbing.

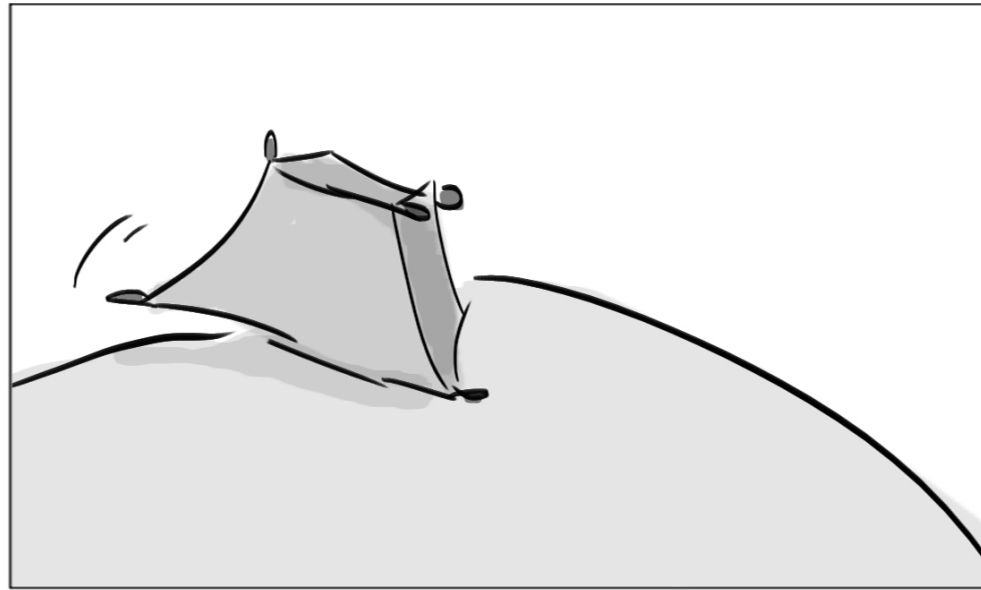

cube reaches the top, ball looks up.

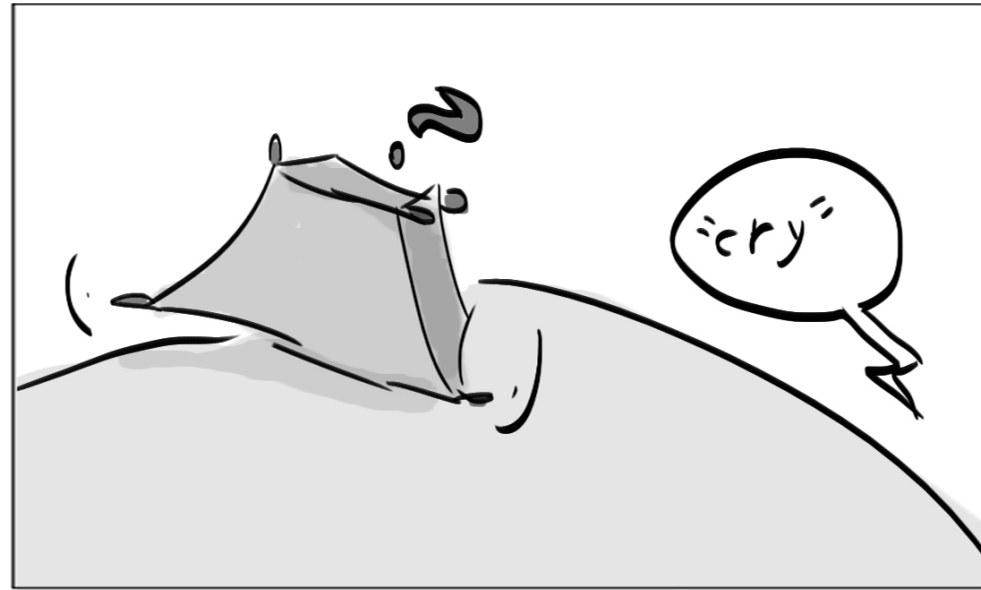

cube is at the tope

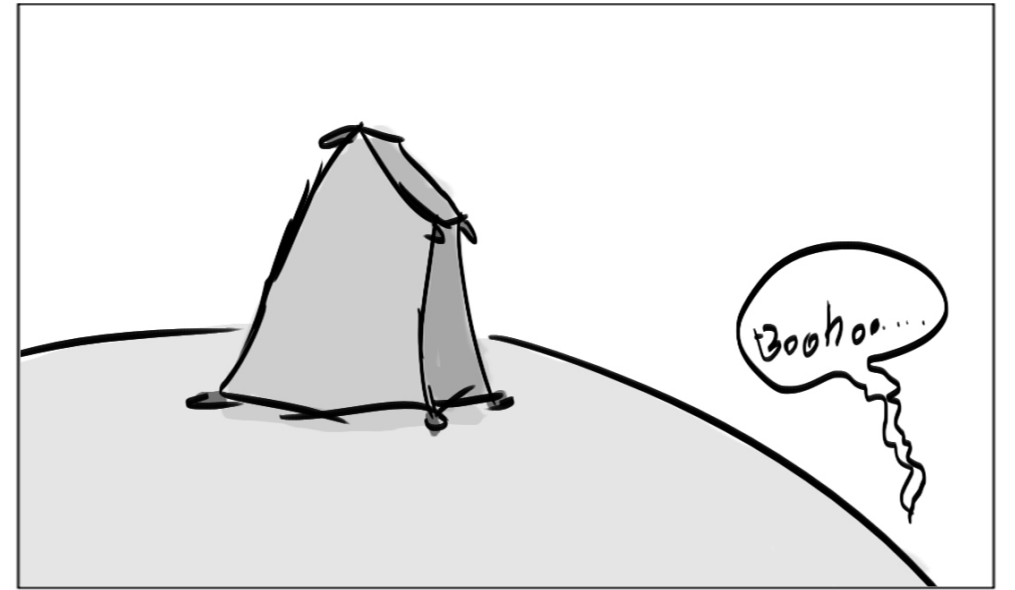

strechtes like after a workout

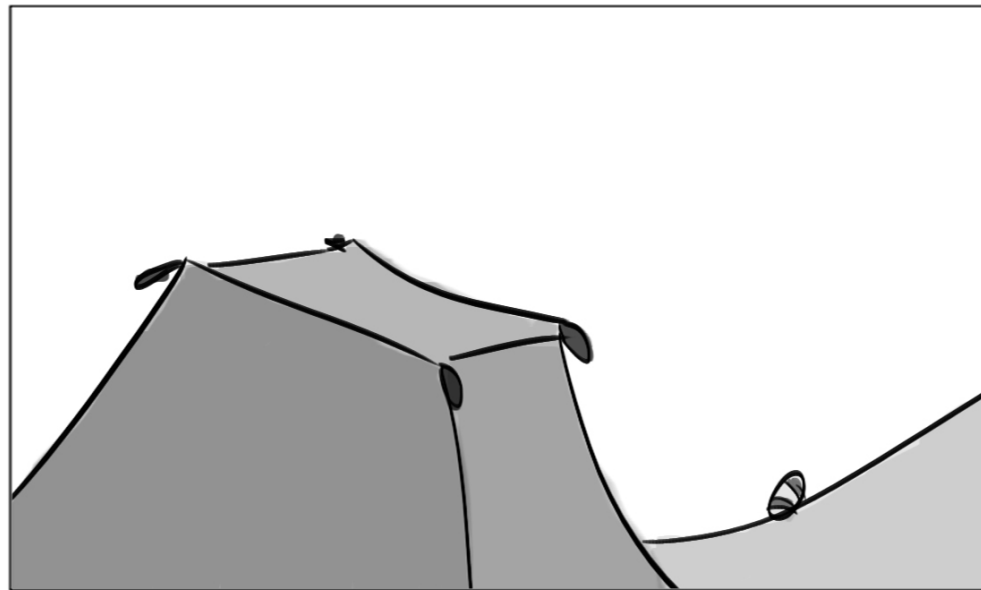

preparing to take another step forward, to keep on the journey.

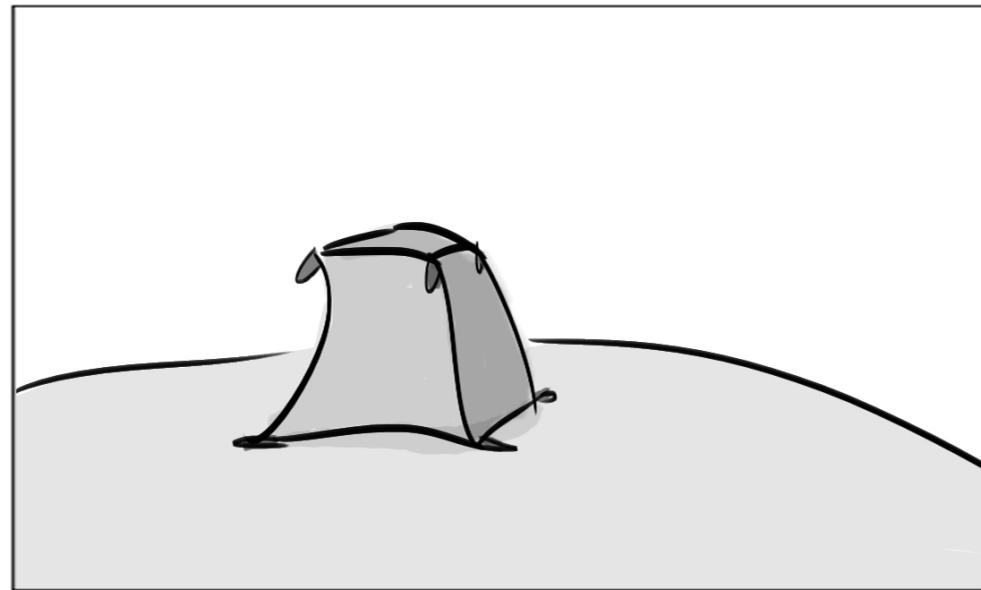

but then hears the weeping sounds from the ball down below.

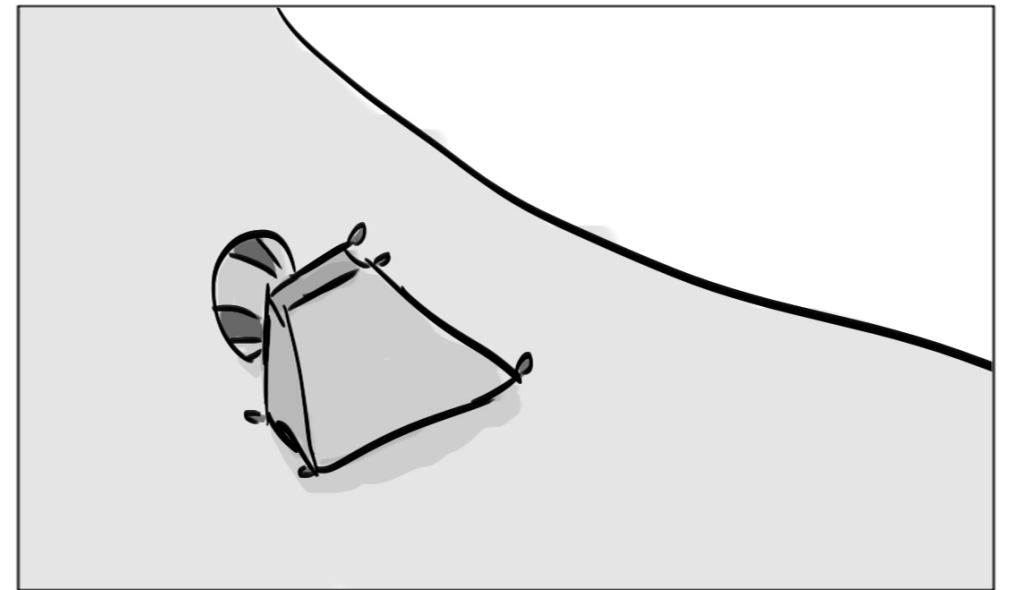

thinks about what to do, feeling bad for ball

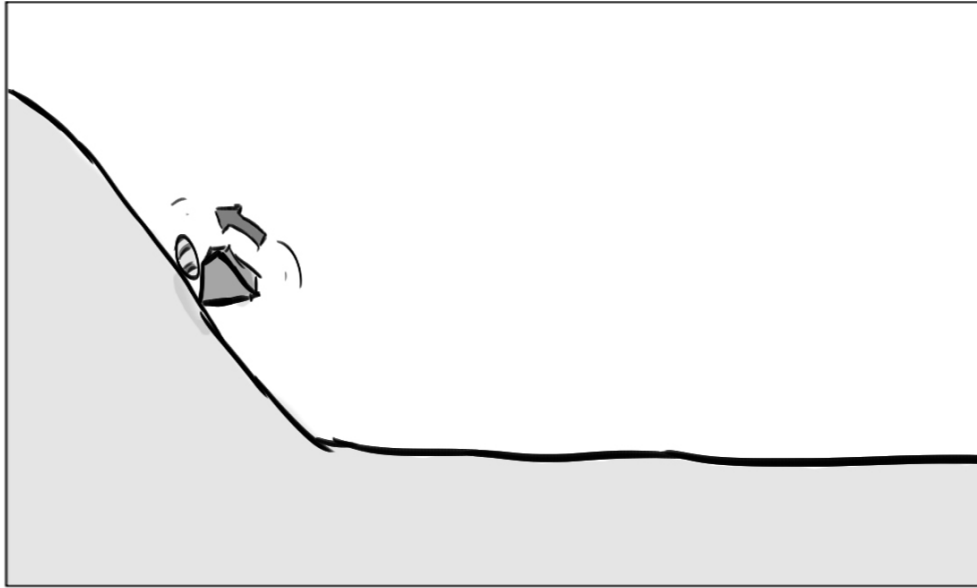

looks at the ball, ball keeps trying to roll up, making sad puppy noises.

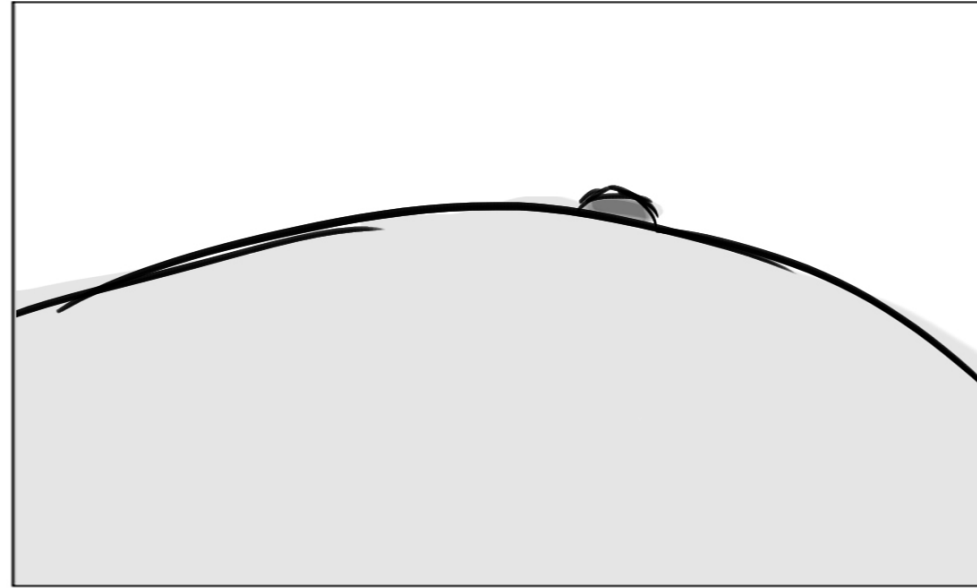

"ugh..."

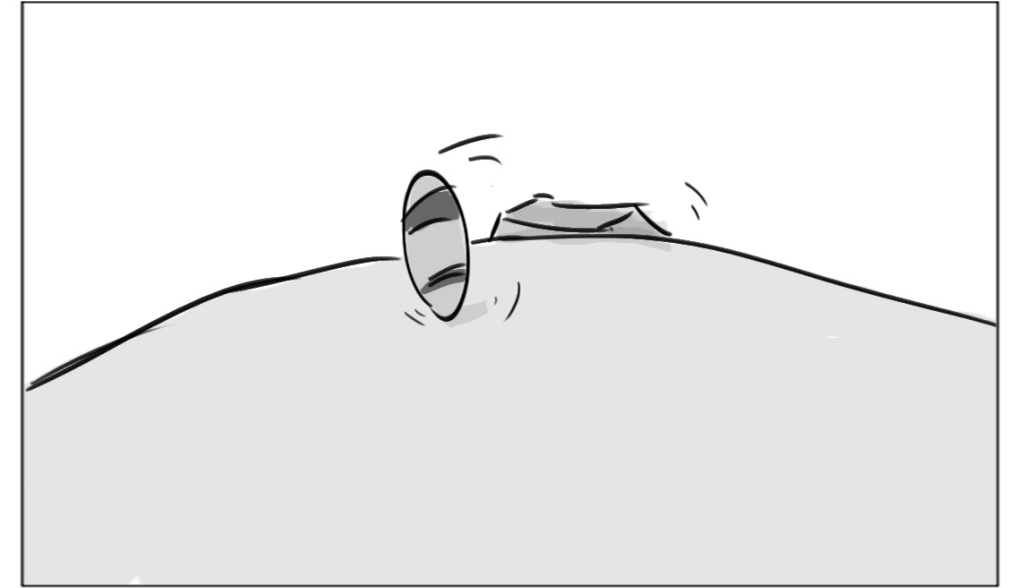

cross fade to the next shot, the cube is at the bottom, helping the ball up the slope.

ball is laughing and jumping joyfully as he's being pushed by cube

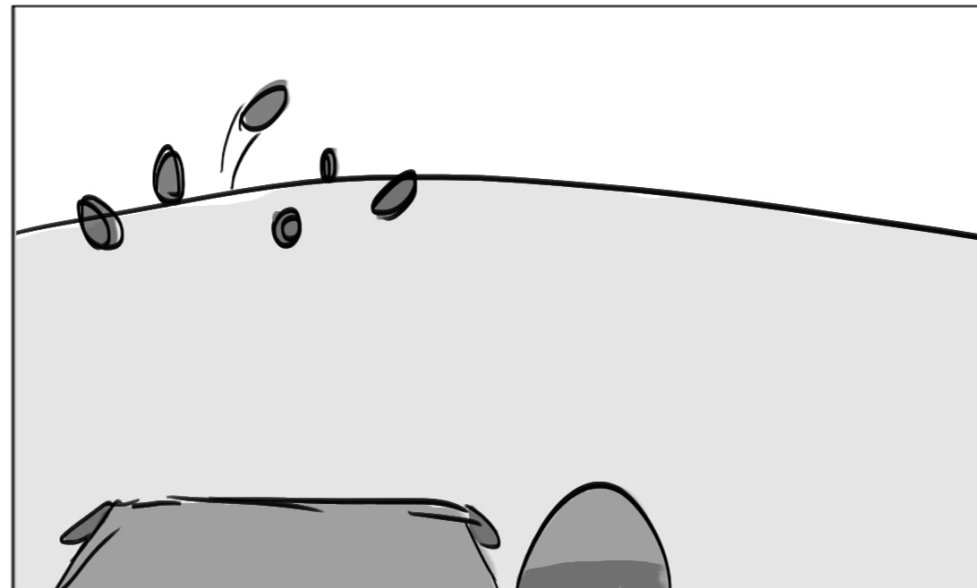

POV from the top of the hill

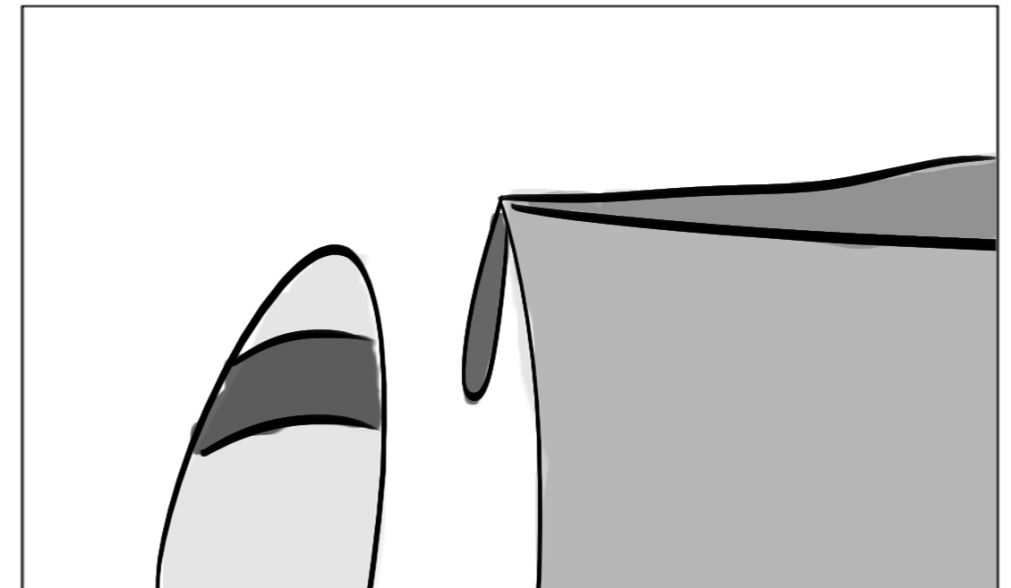

ball pops at the top of the hill, cube behind him

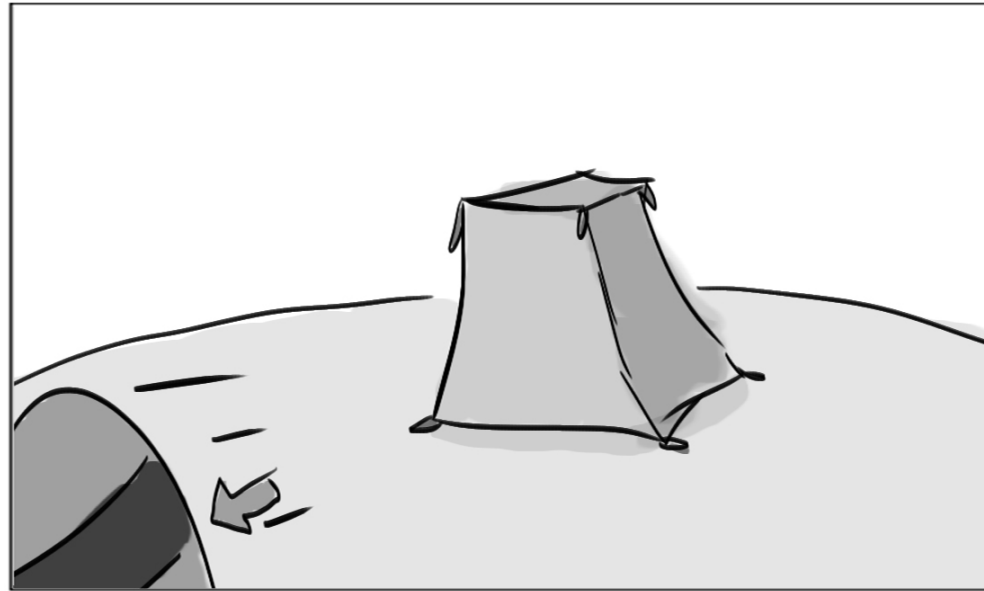

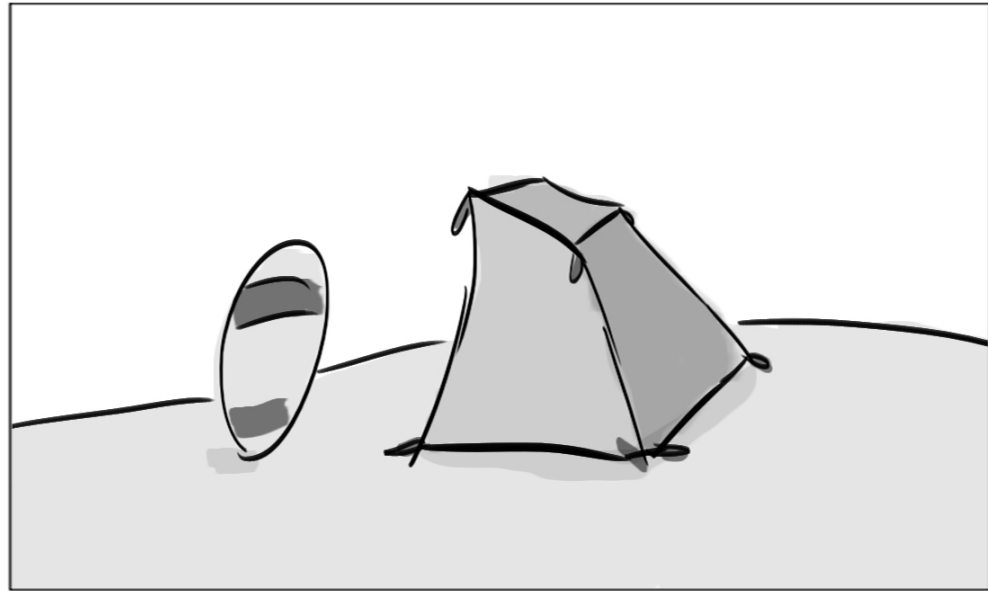

ball notices something in front of them

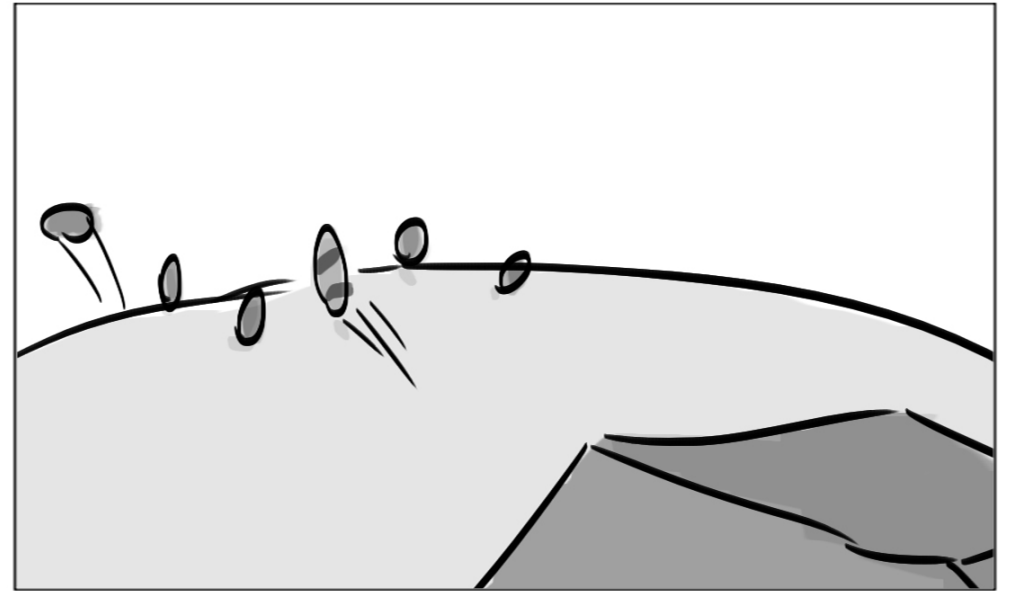

they both see a group of joyfull balls, that's ball's family and friends.

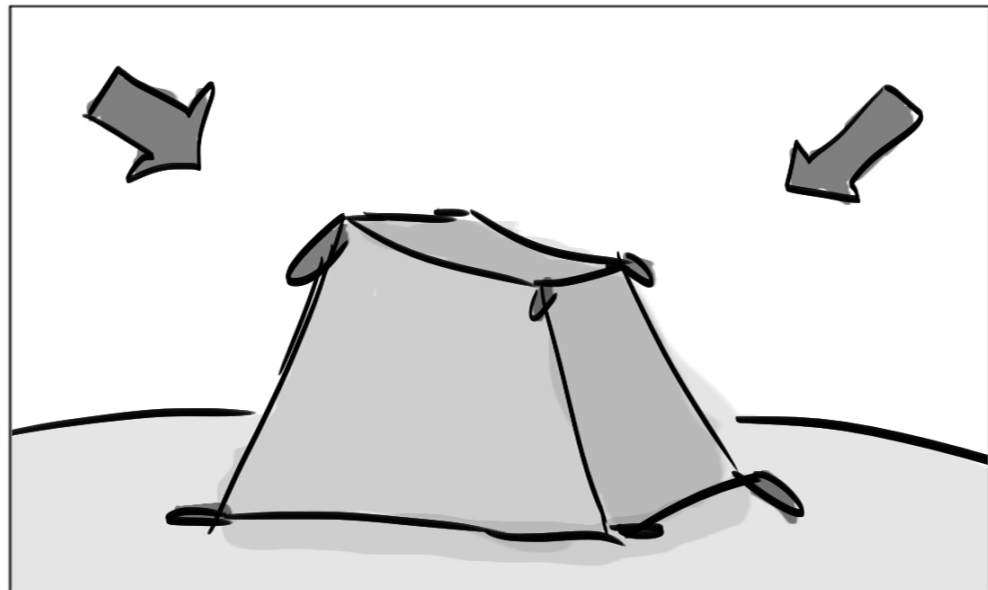

they look at each other

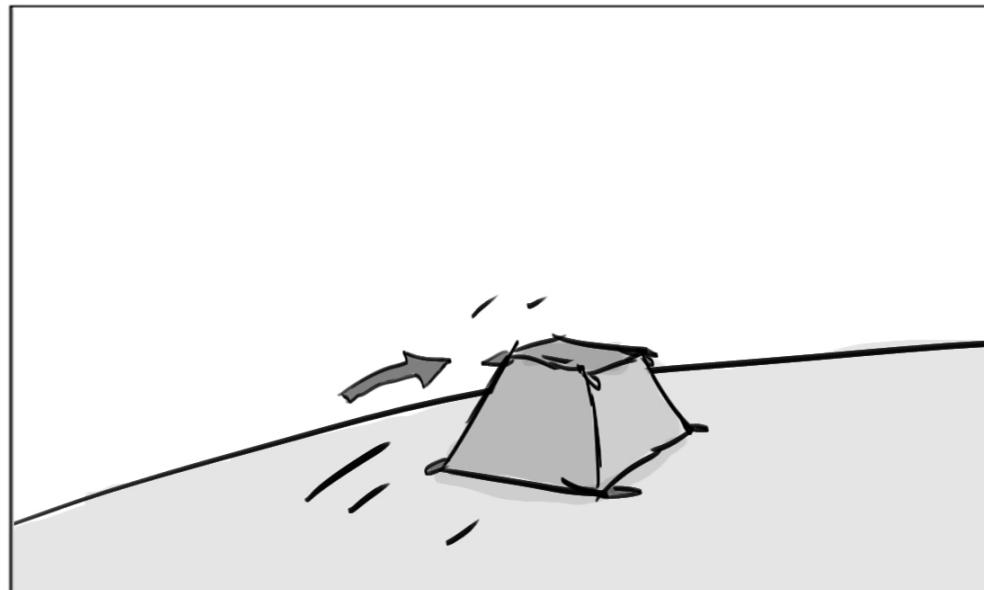

ball rolls toward the group

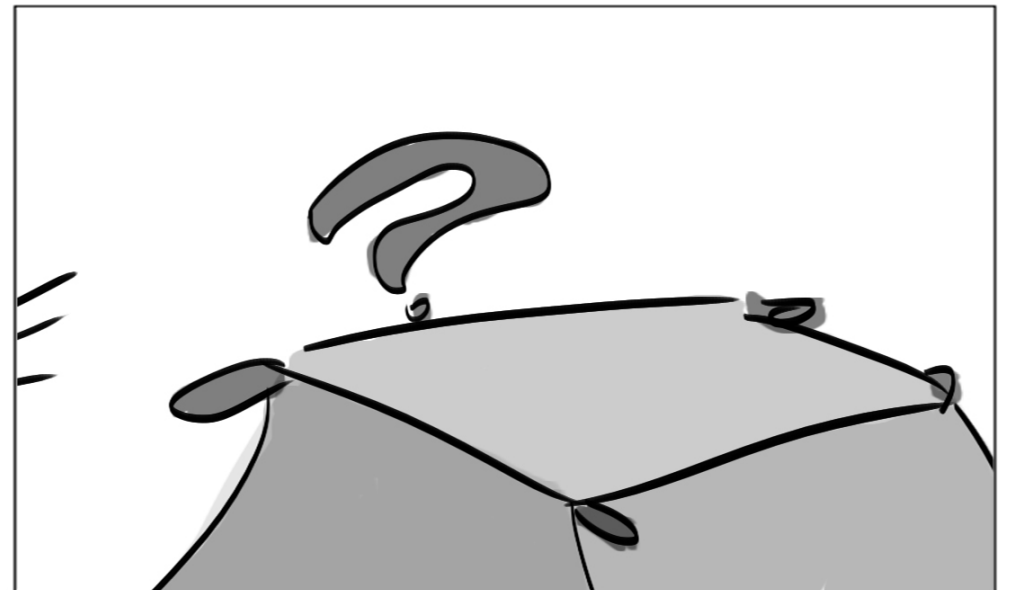

joins his friends, happy and jumping

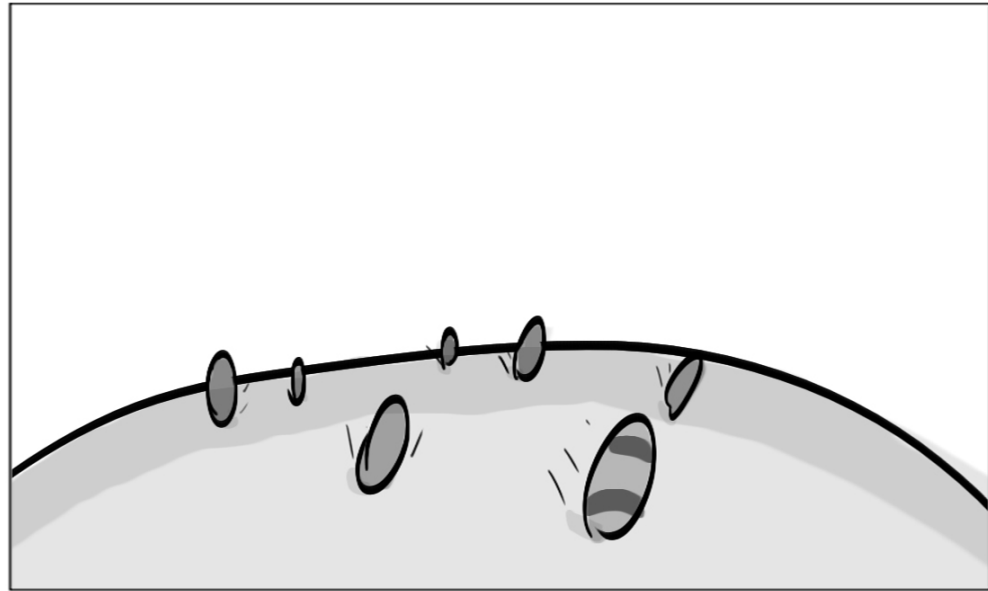

zoom in close up on cube, feeling sad and alone

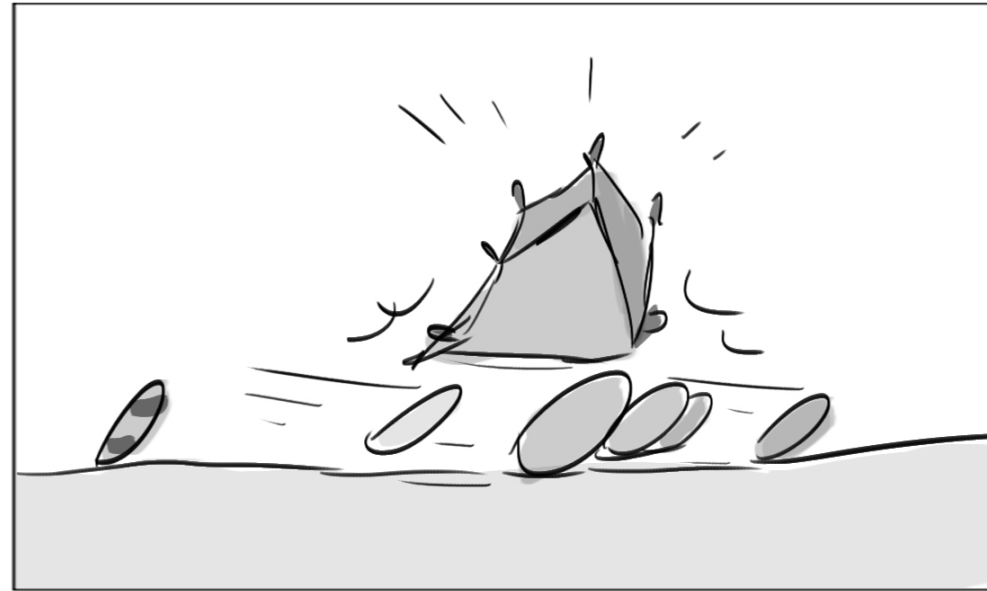

cube walks slowly

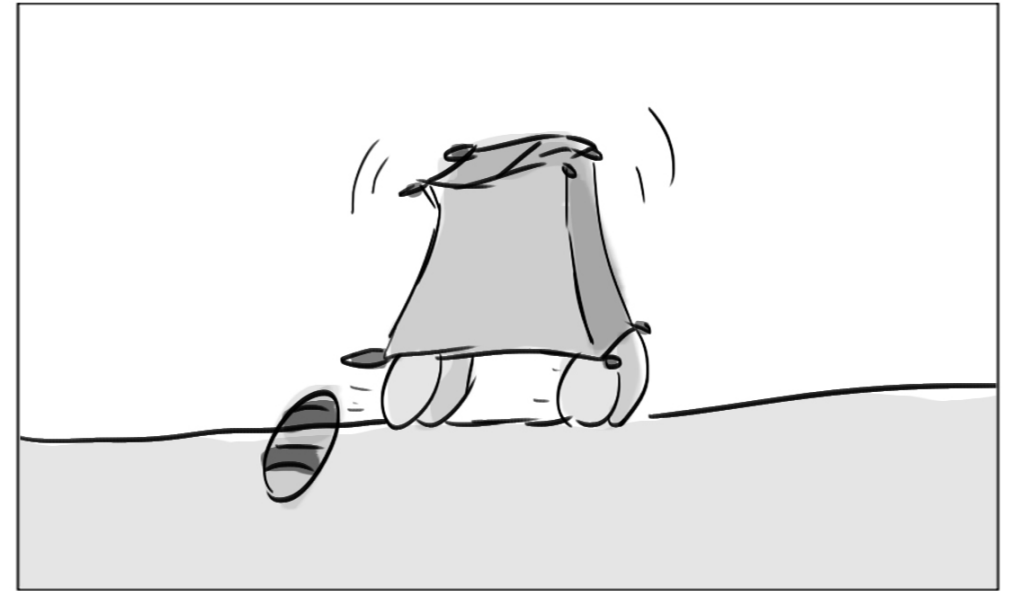

hears a noise from behind him

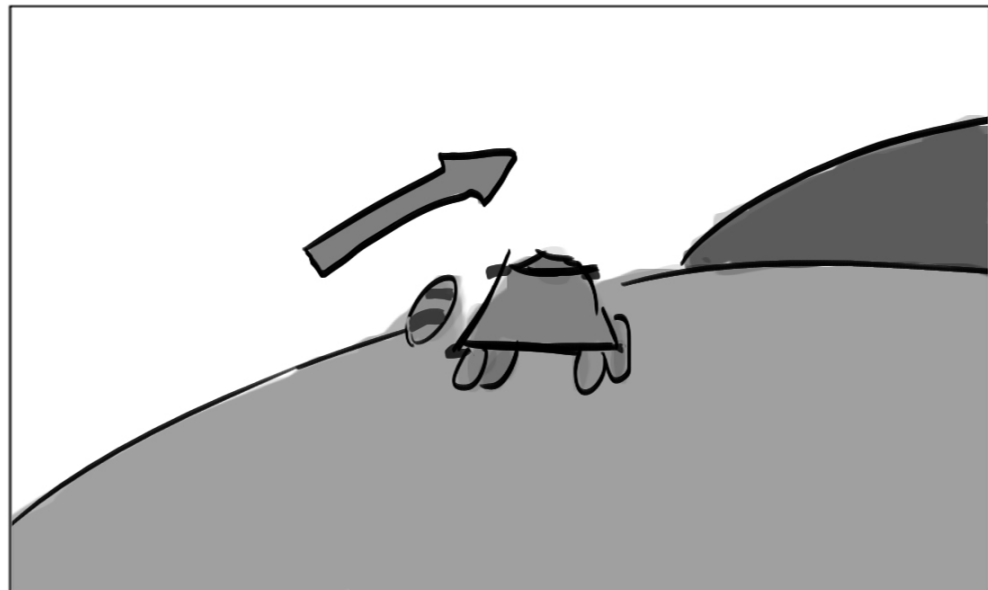

see all the balls rushing towards him

the balls bump the cube on top of them

and carry him on top of them. 2 on each side

they all venture forth together. ball jumping happily besides cube.
